

Japan Christian Quarterly 1958

INDEX

---

J. C. Q.      1960      Oct.      Supplement

---

*The attention of the Editor has been called by the Librarian of Yale Divinity School to the fact that no Index to the contents of this magazine has been printed since 1957. We are striving to remedy this oversight, but lack of space prevents our covering the years 1958 to the present in any one issue. Therefore we shall print the Index for 1958 in October and add the indices for 1959 and 1960 in the January, 1961 issue. Credit for this Index should go to Helen Barns, who stayed in the heat of the city to complete it during the summer. We trust that its usefulness to our readers will repay her effort.*
